**Snow White and Rose Red - one of the most popular fairy tales by the Brothers Grimm.**

**Angela Kocōnda has painted fairytale-like pictures, mysteriously diverse and colourful like life.**

Snow-White and Rose-Red are two little girls living with their mother, a poor widow, in a small cottage by the woods. One evening, when Snow White and Rose Red were sitting together intimately, someone knocked on the door: it was a large, dishevelled bear.

With a fine sense of humour the Brothers Grimm tell the story of how Snow White and Rose Red become fond of the bear and finally redeem him from his bewitchment.

- A favourite fairy tale for young and old.
- Poetically told and magnificently illustrated.

**Angela Kočonda** grew up in Switzerland. She attended the Rudolf Steiner School in Basel, became a eurythmist at the Goetheanum in Dornach and is also active in education. From childhood she was enthusiastic about colours and shapes. She painted her first picture book at the age of twelve.
