Milon and the Lion presents the world of the early Christians in an engaging way for children.

The eruption of Mount Vesuvius and the fall of Pompeii, stormy voyages across the Mediterranean sea, life-or-death struggles in the Colosseum of Rome, the hustle and bustle of peoples in the cosmopolitan city of Alexandria - these are the focal points in the life of the young Greek Milon. He begins his journey as a slave in Athens and has to endure many adventures and dangers until he meets a small group of Christians in Rome ...

“A magnificent book. The incursion of Christianity into the ancient world, into Greece, Rome and Egypt, is told in a subtle way. The thrilling story deserves the title *excellent*.”

Schweizerische Lehrerzeitung

Jakob Streit (1910-2009) was born in Switzerland. He studied natural history and history of art and worked as a teacher both in child and adult education. He wrote more than thirty books which were published in more than twenty languages. The focus of his literary work was on animal stories, fairy tales, legends and retellings of biblical stories, which enjoyed great popularity among children and young readers.
